Attendance Policy: Attendance Policy: Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student’s responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first-class meeting.

Students who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

- **IMPORTANT:** Most tech issues are related to failure to update java, using the incorrect internet browser (try use Google Chrome or Firefox instead of Internet Explorer), and/or not deleting browsing history files daily. Most issues are related to computer issues, not Blackboard. Please note that this instructor does NOT recommend use of any handheld

Anti-virus Software: Please make sure that your computer has an up-to-date antivirus software program installed.

Academic Integrity: In addition to the policy in the Common Course Syllabus, it should be understood that students found guilty of cheating or plagiarism will earn a zero on the work in question for the first offense and will be dropped from the course with an 'F' should a second offense occur. Any amount of dishonesty is subject to these consequences, whether a lot or a little; this can include but is not limited to one copied sentence of a written assignment, a missing citation, an entire paper copied from someone/somewhere else, one plagiarized post on a discussion board, one copied exam item, looking at the scantron of another student during an exam or an exam or other coursework completed by someone other than yourself. You have also committed academic dishonesty when sharing course content/items/answers. This includes sharing course content with classmates or future students as well as sharing course content on websites such as Quizlet, Course Hero, or similar "study applications." For further information and examples please see the Catalog, Student Guide, or refer to www.plagiarism.org

There is an APA Citation tutorial in the Applying the Sociological Imagination Essay section of your Blackboard course.

Smoke free environment: The following is the SPC policy on tobacco use.

South Plains College prohibits the use of any tobacco product, electronic cigarette, or vapor device throughout all indoor areas and within a 25-foot perimeter around all facility entrances, exits and HVAC air intake vents under the control of SPC, including sporting facilities and SPC vehicles. Included in this ban are tobacco products of all types (including, but not limited to, cigarettes, cigars, pipes, chewing tobacco, snuff and all other kinds and forms of tobacco prepared in such a manner to be suitable for spit tobacco use, smoking, or both). *This ban also includes herbal tobacco products and simulated tobacco products that imitate or mimic tobacco products such as e-cigarettes, vapor cigarettes, pipes or other types of inhalation devices.*

Attendance Policy: The following is in addition to the Common Course Syllabus:

Blackboard "Participation" in this class is **mandatory** – this is how you earn your grade. There are numerous assignments which should force you to log-in continuously. I understand that each of you has your own schedule and will be logging-in at different times. That's fine. All that is expected of you is that you **GET THE WORK DONE!!**

Each assignment and discussion have a dictated due DATE and TIME. It is your responsibility to get the work done and submitted to me by the designated time/date.

If you are unable to log-in or complete your work for any reason, **YOU MUST CONTACT ME ASAP!**

Excuses such as "The network was down," or "I could not figure out how to send the assignment through the assignments function" are not acceptable. In short, plan ahead and **do not wait until the last minute to submit your assignments**. It is always okay to turn in assignments early although discussion board postings should be done with the calendar schedule.

It is the student's responsibility to drop the course on or before the last drop date of the semester to avoid failure. Administrative drops will not be made, unless student has discussed/made arrangements with me.
